

THE 36TH A N N U A L
AMERICAN INDIAN art SHOW
SAN FRANCISCO

Over 70 dealers and artists selling antique American Indian, Pre-Columbian, Spanish Colonial and Contemporary American Indian Art

San Francisco, California | February 21 - 23, 2020
Festival Pavilion, Fort Mason Center for Arts & Culture

Thank you to the 2019 exhibitors! The 36th year will see a location change, back to where it began, in the City of San Francisco. The American Indian Art Show | San Francisco will join its sister show, the San Francisco Tribal & Textile Art Show, creating the largest showcase of indigenous art under one roof. While sharing the same location and dates, the shows will retain their own unique character, booth configurations, pricing, as well as advertising and PR. We look forward to realizing a nice crossover of customers and clients, and a camaraderie between the two shows.

We truly appreciate your commitment and dedication over the past several decades, and look forward to seeing you in the new location. To all the new exhibitors, Welcome to the show! We look forward to working with you all.
